Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

- No

Is any of the land to which the application relates part of an Agricultural Holding?

- Yes
- No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.

DESIGN AND ACCESS STATEMENT

PLANNING PERMISSION FOR MR JAMES FREEMAN CONCERNING THE LAND AT THE SIDE OF 17 AMBERLEY ROAD, GLOUCESTER.

The Site

The site is in Amberley Road at the end of a run of houses. There is a large Garden at this existing semi-detached 2 bedroomed property that sprawls out to the southeast of the plot.

Amberly Road is in the ward of Matson/Robinswood and is local to shops in Matson. It is also within 100metres of a bus stop that takes you into the centre of Gloucester.

The site Area is 0.059 hectares

Aerial view

View of site looking easterly over the property

Use of proposal

The use of the proposed development to the above-mentioned property and in relation to the accompanying application and plans is for the building of a 2 bedroomed, 2 storey detached house.

Access

The access to the property will remain as is. There is an existing access to 17 Amberley Road with parking for 2/3 vehicles at the front. This proposal will leave 2 parking spaces for the existing property and create 1 car parking space for the proposed property.

Amount

The amount of development is acceptable because the design of the new proposal is for a 2-bed detached house. The overall ground floor footprint of the new design fits into the plot so that it doesn't impact on the main house.

Layout

The layout was designed to make the most from the plot in relation to the garden. The rooms are spacious with an open plan feel on the ground floor and the two bedrooms above will accommodate double beds. There are no windows looking directly into neighbour's gardens so privacy still remains.

Scale

The scale of the house on the development has been designed to fit in with the local, mid density properties in this group of houses. The house has been designed so that the front elevation fits the same scale as the rest of the street. Ridge levels and eaves levels will match and so will the materials for the roof, wall and window doors/doors.

Security

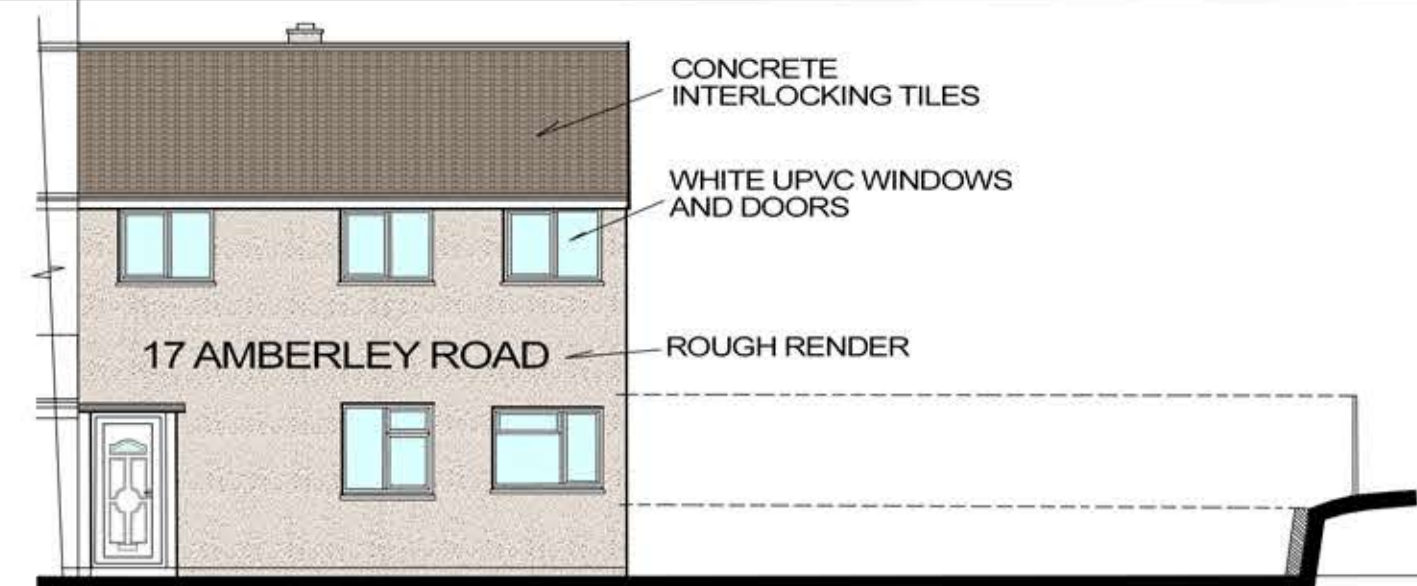

The parking area is situated so that they are overlooked by the resident. The private driveway arrangement gives a private residential feel to the development and will dissuade visitors from entering unless to visit the property owners. House to have high security doors and windows

Landscaping

The house already has established gardens and landscaping.

Appearance

The appearance of the proposed site can be seen with the accompanying drawings JM001 and JM002. The house will be built to local authority building regulations and all materials will match with the local area.
